Go to www.communityoncology.org to understand more about the ongoing cuts to cancer care payments to community cancer clinics. These cuts are straining the nation's cancer care delivery system. You can sign the petition online — which officially confirms your signing — or sign below. Please fill in all the information requested in order for your signing to be counted.

Instructions on sending this petition are on the following second page.

Dear Policymaker:

I stand united with the undersigned Americans who implore you to *Stop Cancer Care Cuts*. We have the world's best cancer care but it is in crisis and endangered by severe government payment cuts. Health care reform needs to address this crisis!
